Outgoing students will be charged the full amount of a quarter if exiting after the first full week of the quarter. When a student leaves CSHS during the school year all financial aid (grants, scholarships, etc.) is negated.

Financial Aid

All financial aid is applied for using the FACTS Grant and Aid Assessment program. This is an independent company that processes the application and supporting documentation and produces a Needs Assessment report for the school. This enables us to be sure that our awards are made in the most equitable way possible. The application must be completed on line at www.factstuitionaid.com.

Individual parishes may also have scholarships available. Please call your parish to inquire.
